**JOIN A VIRTUAL SCHOOL WITH STAFFORD HOUSE ONLINE!**

## LEARN ENGLISH IN A VIRTUAL SCHOOL

We believe that your studies are enhanced by learning in a supportive environment, that's why when you join Stafford House Online English, you join a **virtual school** and become a member of an active community!

## JOIN AN ONLINE ENGLISH COMMUNITY

To help you get the most from your time with Stafford House, our Online English programme includes access to our range of online **activities and social events!** Not only will you improve your English, you will get to connect with international students from around the world.

## HOW IT WORKS

You will be enrolled in an online English class appropriate to your English level alongside a mix of students who you will learn with throughout your course. So you can focus on your learning we will be keeping our online English lessons small – with a **maximum of 15 students per class!**

## HOW YOU LEARN

We believe that you will learn faster and more effectively if your lessons are engaging, fun and relevant, that's why our teachers use a range of techniques and develop classes that are motivating and build your confidence. This will allow time to focus on any areas of weakness. Any weekly programme is influenced not only by the course book syllabus but also by the learning goals and interests of the students in any one group.

In each class you will be given the opportunity to speak English with the class and with the teacher. Stafford House Online English classes are small, with a maximum of 15 students in each class, so you can learn in a supportive, friendly environment.
